## SUMMARY

---

Enthusiastic and creative undergraduate student with a deep love for production and a strong desire to pursue a career in the entertainment industry. Demonstrated ability to work effectively in collaborative team settings, meet tight deadlines, and adapt to rapidly changing production environments. Committed to continuous learning and eager to contribute my skills and passion to support innovative and dynamic production projects. Seeking internship opportunities to further develop my expertise and gain valuable real-world experience in production.

## EXPERIENCE

---

### Staff of Logistic and Consumption Committee

03/2023 - 08/2023

Design Competition for Industrial System (Descomfirst 2023)
